Basic Pistol

**September 12th and September 14th from 6 PM – 9 PM and
September 16th from 5PM – 9 PM**

Description

This course is acceptable for Massachusetts, Connecticut and Maine concealed carry permits which require the completion of a pistol safety course. Total course time is 10 hours.

Fee is \$75 for Club Members and \$85 for non members.

A 50 % deposit will guarantee your seat in the class. Balance is due at the beginning of the first class.

Personal Protection in the Home

Dates to be Announced

Description

This course provides basic knowledge, skills and attitudes essential to the safe, efficient, ethical, and legal use of a handgun for protection of self and family inside the home. You will learn how to select a handgun and ammunition suited to you. Total course time is 8 hours.

Pre-requisite for this course is Basic Pistol or pre-approved prior training.

Personal Protection Outside the Home

Dates to be Announced

Description

This course is an intermediate-level shooting course providing knowledge, skills, and attitudes involve gun safety, responsibly, effectively, ethically, and legally employing a concealed handgun for self defense. You will be exposed to many new shooting techniques, storage options, and carry modes.

Fees include all training materials. All classes are limited to 12 students. For your safety, eye and ear protection are required while on the range. These items are available at a reasonable cost at the range.

Prerequisites for this course are "Basic Pistol" and "Personal Protection in the Home" courses.
